

December 2019

Hello ALR787 Members,

Sure it's winter, but what better time to show-off your ride? Whether you ride a brand new bagger or a vintage café racer; we all love our bikes and are never shy about showing them off to others. If you're like me, you probably have more pictures of your bike on your phone than you do of your own kids. So, look through those digital pictures of your beloved ride, complete the form below and email them both to ALR787Webmaster@gmail.com and I'll post them on our website.

As always, participation is completely voluntary.

Cheers!

Mike Van Ryn, ALR787 Webmaster
